## Code of Conduct

1. The basic principles are consideration and common sense. Any act borne of thoughtlessness or stupidity may be considered a breach of good conduct.
2. The Academy has a No Smoking policy, at any age, and a No Under Age Drinking policy. Alcohol is forbidden to adult athletes during training and competition periods. Misuse will be considered a serious breach of conduct
3. Contravention would be a serious breach of good conduct.
4. The Academy cannot allow students to have a sexual relationship. In furtherance of this rule girls' rooms are off-limits to boys and vice versa. Contravention of this rule would be a serious breach of good conduct. (NB Girls and boys may mix freely in common areas).
5. Any involvement with drugs would be considered a serious offence warranting expulsion.
6. The Academy has a non-discrimination policy. Living in a community it is important to 'live and let live' and to be tolerant of everyone. Any discriminatory behaviour would be considered a breach of good conduct.
7. The Academy abhors 'bullying' in any form. Any physical violence or mental intimidation would be considered a serious breach of good conduct. [see Section 3, BSA Safeguarding Policy]
8. Any proven incidents of theft between students would be considered a serious breach of good conduct.
9. Any breach of the law, either national or local, would be a breach of good conduct.
10. It is very important for the health and safety of everybody that instructions from members of staff are complied with. Failure to comply with any reasonable instruction would be a breach of good conduct.
11. In a community, and particularly in a foreign country, good manners help to foster and maintain good relations more than anything
12. A persistent breach of good manners would be considered a breach of good conduct

The BSA understand that certain students, in their home environment, may be accustomed to behave differently, but at the Academy it is important for the well-being of all concerned that all students adhere to the same guidelines.

Parents, please go through these points with your youngster/s so the letter and the spirit of the Athlete's Agreement is fully understood. We note, if a trainee is sent home for gross misconduct the first week of programme will be charged at full rate.

The Athlete's Agreement should be read by 12 year olds upward and signed by 15 year olds and above, as indicated on the form.

Our safeguarding procedures are available on the website, and also the larger, SSE SnowSafe template from which it is derived.
