Payment

N.B. We strongly advise that you have insurance that provides cover for cancellation or curtailment.

Winter Season: During September we will contact you to confirm your planned dates for the Winter Season. An invoice will be sent to you based upon the pricing structure that your dates/length of booking falls into and the one-off Registration Fee of £100. Along with the invoice, we will provide a payment plan that ensures payment is received for the upcoming period at least 28 days in advance.

If our invoice has been based on the 'Core Season, Plan B', but attendance has been less than 12 weeks between 5th December 2020 and 10th April 2021, our planned summer Landgraaf /Wittenberg camps can be counted towards the minimum number of weeks.

After the English Championships, if the number of weeks is still likely to be less than 12 in total (including Landgraaf/Wittenberg camps and taking into account the remainder of the weeks planned for the season), the higher rate, 'Core Season, Plan A' will apply to weeks already taken as well as those planned, and the difference will be due for payment.

Payment for Landgraaf/Wittenberg Camps that form part of the 'Core Season, Plan B' will need to be made in full by the 1st March 2021.

Payment can be made by bank transfer (details on the invoice) or by credit/debit card (please contact the office to arrange this).

FIS Additional Weeks

The FIS programme runs throughout the year and racing is planned to start around mid-November this season. FIS camps that run from November until 5th December can be included into the 'Core Season, Plan B' programme at a rate of £1000 per week for a glacier camp/race camp or for an indoor snow camp (four nights). We reserve the right to cancel a camp if we do not have enough athletes in attendance to make it financially viable. For groups less than 6, we may only have one coach.

Airport transfers

Certain weekend airport transfers are included in the residential package. These will be published on our website along with accompanied flight details.

All other airport transfers outside of the published dates/times/airports are subject to an individual arrangement/price.

Lift Passes

The residential programme fee includes a local lift pass for the duration of the stay.

Outliers are responsible for the organisation/payment of their own lift passes both at base or races away from home, except for FIS races where the coach is required to purchase them at the Captains' meeting (English and British Championships).

Discounted rates for outliers are only available for a local Pila Season lift pass and this must be paid for at the time of purchase, directly with the lift office.

Our Commitment to you:

At the British Ski Academy, we undertake to do our utmost to foster your racer's development in the sport of Alpine ski racing, to support their educational programme and to provide for their welfare.
